OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

December 22, 1999

FAX TO: NRC Chairman
Richard Meserve
ATT.: Rule-making + Adjudications Staff
U.S. NRC
Washington, DC 20555
FAX: 301-415-1101

Dear Chairman Meserve:

After reading the article about the Nuclear Regulatory Commission's consideration of putting contaminants from radioactive wastes into everyday items I am appalled! Most people do not know about the cumulative effects of radiation, but you do. We are doomed as a society if this happens.

You can make that difference — Please DO NOT allow radioactive contaminated metals, plastics, concrete — anything be recycled into usable everyday products!

Thank you.

Jerry Fuchs
