DOCKET NUMBER
PROPOSED RULE PR 20
(64FR35090)

DOCKETED
USNRC

'99 DEC 27 P6:04

To: NRC,

CHAIRMAN: RICHARD MESERVE,

ATTN: RULE-MAKING + ADJUDICATIONS STAFF,

PLEASE DO **NOT** USE CONTAMINATED MATERIALS FROM ANY NUCLEAR FACILITIES FOR RECYCLING.

PLEASE DO NOT RELEASE ANY PRODUCTS TO ANY CONSUMERS OF RECYCLED MATERIAL CONTAINING SUCH RADIOACTIVE CONTAMINANTS.

RECYCLING HAZARDOUS WASTE IS SIMPLY UNACCEPTABLE, NO MATTER HOW MANY SAFETY PRECAUTIONS EXIST.

HUMAN BEINGS CANNOT ABSORB THIS OLD WASTE LIKE DIRT UNDER THE CARPET.

IT IS A MIRACLE THAT ANY OF US CAN SURVIVE THE MODERN WORLD WITHOUT DEVELOPING CANCER FROM ALL THE UNSEEN POLLUTANTS IN OUR EVER-WORSENING ENVIRONMENT. PLEASE DO NOT ADD MORE CRAP TO THE STREAM THAT WE ALL HAVE TO SWIM IN AND DRINK FROM.

THE PUBLIC'S HEALTH IS IN YOUR HANDS, PLEASE PRESERVE OUR FUTURE. GOD KNOWS THOSE WHO DECEIVE.

POR PR 20 64FR35090
