DOCKET NUMBER
PROPOSED RULE PR 20
(64FR35090)

99 DEC 29

Dear Mr. Meserve, RULE AD 12/21

PLEASE do not sell radioactive materials from all nuclear power plants to the scrap metal industry!!!

You would be recycling radioactive metals into our pots & pans, children's braces, toys, furniture, etc. Do you really want to do great harm to us?

Sincerely, Barbara White
