RE: FOIA REQUEST
Expedited processing requested

Dear FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. Sec. 552, I request access to and copies of any and all reports and/or test results from January 1, 1957 to August 10, 2010 concerning radioactive materials at 1001 College St., Madison, Illinois 62060 [site commonly known as Cherokee Industries, Spectrulite Consortium, Consolidated Aluminum Company (CONALCO), Phelps Dodge Aluminum Corp., and /or Dow Chemical].

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed $100.00. However, please notify me prior to your incurring any expenses in excess of that amount. If necessary, we will accept the documents in electronic format, preferably on CD-ROM.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

Please provide expedited processing because delayed disclosure could threaten life because I am pursuing an investigation for workers at this location who were directly exposed to radiation at the site who are suffering from debilitating and probable terminal illnesses. I certify that these statements regarding expedited processing are true and correct to the best of my knowledge and belief.

I look forward to your reply within 20 business days, as the statute requires.

Thank you for your assistance. If you have any questions or concerns, please contact me by telephone or e-mail to discuss.

Sincerely,

David J. Jerome, Esq.
