Subject: dumping of radioactive materials

DOCKETED
UP-180

'99 DEC 21 P4:26

I read in the Atlanta Constitution that there is a proposal to dump radioactive metal in with other metals for recycling. I am completely opposed to this because we do not know how much radiation over what period will cause damage to life? The concept is totally reprehensible.

ADJUTANT GENERAL

Sincerely,

Robert L. Wagner
770.924.4161
