A Resolution Proposal on the Recycling of Nuclear Waste

The Erie County Environmental Management Council resolved on December 14, 1999 to:

- 1) Call on the United States President, Vice President Gore, Congress and all federal, state and international regulators to recapture, stop, and prevent the release and recycling of radioactive waste and materials into consumer products and the environment
- 2) Call on the US Nuclear Regulatory Commission to reverse its efforts and expenditures to release radioactive wastes and to initiate a policy requiring regulatory control and isolation of all radioactive wastes .
- 3) Call for the recapture and recall of radioactive materials and wastes that have been released into the marketplace
- 4) Call on the US Department of Energy to halt all releases of radioactive wastes and materials into the marketplace, to recapture that which has been released and to revoke the radioactive Recycle 2000 policy immediately.
