Subject: Recycling of Radioactive Materials

DOCKETED
USDO

'99 DEC 21 P 4 28

Dear Mr. Secretary:

Please know that as a consumer I am usually in favor of recycling to protect our precious natural resources; however I believe that the proposed recycling of materials from nuclear power plants and weapons facilities is misguided and wrong.

I am adamantly opposed to it and hope to learn that the idea of doing such is abandoned!

Sincerely,
Martha L. Arrington
