Dear Commissioner Sedano:

I want to take this opportunity on behalf of the Nuclear Regulatory Commission to thank you for your participation in the National State Liaison Officers' Meeting on December 1-2, 1999. Your remarks during the panel discussion on the State of Vermont's views of the effects of the electric utility industry restructuring on nuclear reactor licensing and oversight were informative, thought provoking and contributed greatly to the success of the meeting. We appreciate your discussing these important issues with NRC and State officials and look forward to future opportunities to work with you on these and other important matters.

Sincerely,
