Dear Sir,

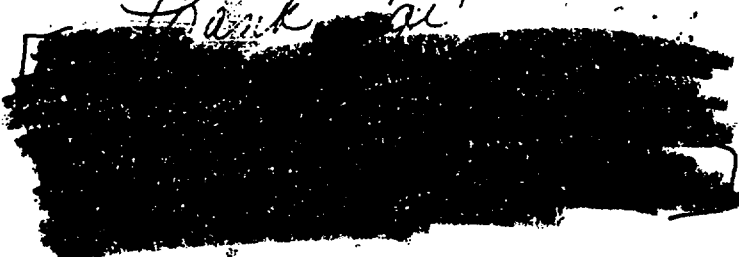

HON. JOHN P. MURTHA

I am requesting that you write to the Nuclear Regulatory Commission (NRC) and the Environmental Protection Agency (EPA) and request on our behalf the following:

1. Public Hearings be held to solicit public comment on the proposed license renewal of the Apollo Babcock & Wilcox Nuclear Fabrication Plant.
2. Public Hearings regarding the present contamination and the environmental impact relative to the Clean-up activities.

3. Public Hearings regarding the proposed research and development activities and the related environmental impact.

Thank you
