DECEMBER 16, 1999

DEAR SECRETARY,

HAVE OUR CORPORATE MASTERS GONE MAD? ARE THEY SO  
BLINDED BY GREED THAT THEY CAN'T REALIZE THAT THEY TOO WILL  
GET SICK AND DIE YOUNG FROM RECYCLED RADIOACTIVE COPPER,  
STEEL, ALUMINIUM AND CONCRETE?

NO RADIOACTIVE DOSE IS ACCEPTABLE EVEN WITH  
WARNING LABELS! WE CAN ONLY HOPE THAT THE NRC SHOWS  
THE COURAGE TO GO AGAINST ORDERS AND DOES NOT LEGALIZE  
THE LARGE SCALE RELEASE OF THESE CONTAMINATED MATERIALS.  
PERHAPS YOU AND OTHERS ON THE NRC WOULD LOSE YOUR JOBS  
BUT YOU WOULD BE HEROES SAVING COUNTLESS LIVES, AND  
YOUR NAME AT LEAST WOULD BE REMEMBERED.
