

DOCKET NUMBER  
PROPOSED RULE PR 20  
(64FR35090)

DOCKETED  
USNRC

12/20/99

'99 DEC 27 P5:59

To whom it concerns,  
I hope it concerns you very much! I worry about my childrens health every day, I cannot believe anyone would even consider, releasing nuclear substances into the enviroment! Are we willing to jeopardize our future for money? When deaths at our back door, how much money would we be willing to give for a few more moments of life! Hope you feel my concerns,

Thank You

Jerry Ferguson

Merry  
Christmas
