

IT IS A MIRACLE THAT ANY OF US CAN SURVIVE THE MODERN WORLD WITHOUT DEVELOPING CANCER FROM ALL THE UNSEEN POLLUTANTS IN OUR EVER-WORSENING ENVIRONMENT. PLEASE DO NOT ADD MORE CRAP TO THE STREAM THAT WE ALL HAVE TO SWIM IN AND DRINK FROM. PLEASE PRESERVE OUR FUTURE. GOD KNOWS THOSE WHO DECEIVE.

LIKE DIRT UNDER THE CARPET. HUMAN BEINGS CANNOT ABSORB THIS OLD WASTE UNACCEPTABLE, NO MATTER HOW MANY SAFETY PRECAUTIONS EXIST. RECYCLING HAZARDOUS WASTE IS SIMPLY CONTAINING SUCH RADIOACTIVE CONTAMINANTS TO ANY CONSUMERS OF RECYCLED MATERIAL.

PLEASE DO NOT RELEASE ANY PRODUCTS FROM ANY NUCLEAR FACILITIES FOR RECYCLING. PLEASE DO NOT USE CONTAMINATED MATERIALS

ATTN: RULE-MAKING + ADJUDICATIONS STAFF, CHAIRMAN: RICHARD MESSERVE (64FR35090) 20
