ATTN: Document Control Desk
Washington, D.C. 20555

Quad Cities Nuclear Power Station, Units 1 and 2
Facility Operating License Nos. DPR-29 and DPR-30
NRC Docket Nos. 50-254 and 50-265

Subject: Additional Information Concerning the Proposed Indirect Transfer of Control

Reference: Letter from R.M. Krich (ComEd) to NRC "Proposed Indirect Transfer of Control Involving Facility Operating License Nos. DPR-29 and DPR-30, Pursuant to 10CFR50.80," dated November 15, 1999.

In the referenced letter, Commonwealth Edison (ComEd) Company requested NRC approval of an indirect transfer of control involving the facility operating licenses for the Quad Cities Nuclear Power Station as a result of the change in shareholders at the holding company level for MidAmerican Energy Company (MEC). The attached letter provides a response to information requested by Stewart Bailey, NRC Project Manager concerning the above-described transfer.

Should you have any questions regarding this information, please contact Joseph Sipek at (630) 663-3741.

Respectfully,
