DOCKETED  
USMRC

NRC Chairman Richard Meserve<sup>99</sup> DEC 27 P5:49

I've just read an article in the Atlanta  
Constitution about recycling radioactive  
metals into everyday items.

who ever is in charge of this must  
be crazy and should be run out  
of the country.

How do I feel about it.

NO! NO! NO! NO!

NO!
