REPLY TO  
ATTN OF: Sean Oehlbert, NN-43

SUBJECT: Application for NRC export license [XSNM3109]

TO: Ms. Betty Wright, Nuclear Regulatory Commission

In response to application XSNM3109, which involves the export of low-enriched uranium for use as reload fuel in the Confrontes-1 BWR nuclear power plant in Spain and contains some material of Australian and Canadian origin, the Office of Arms Control and Nonproliferation has received prior consent for exports of Canadian and Australian origin material to Spain.

Should you have any further questions, please call me at 202-586-3806.
