Ref: Export License XSNM02617, Amendment No. 05

Dear Ms. Wright:

Please refer to export license XSNM02617, Amendment No. 05, authorizing export of enriched uranium in the form of uranium hexafluoride. Transport Logistics International hereby requests that this license be modified to reflect the following two amendments:

- (1) Advanced Nuclear Fuels, Germany, should be added to the list of authorized intermediate consignees for the following activities: storage, conversion, fabrication and use as working inventory.

Advanced Nuclear Fuels GmbH
Postfach 1465
Pollersand Industriepark Sud
D-49811 Lingen
Germany

- (2) The current expiration date of December 31, 2001 should be extended to December 31, 2004.

All other license terms and conditions should remain unchanged.

Pursuant to the *Federal Register* notice dated June 10, 1999, please find enclosed the license amendment fee of \$1,700.

Please do not hesitate to contact me at 301-421-4324 with any questions or comments you may have in this regard. We appreciate your assistance in this matter.

Best regards,

Melissa Mann
