Dear Chairman Bollwerk and Judges Shon and Lam:

Enclosed please find Applicant Carolina Power & Light Company's "Summary of Facts, Data, and Arguments on which Applicant Proposes to Rely at the Subpart K Oral Argument." This filing is being made pursuant to the Board's Memorandum and Order (Granting Request to Invoke 10 C.F.R. Part 2, Subpart K Procedures and Establishing Schedule) dated July 29, 1999, as amended by the Board's Memorandum and Order (Extending Time for Written Summaries and Oral Argument) dated December 13, 1999.

Included with this filing are several Exhibits and Attachments. These Exhibits and Attachments are being filed electronically, with hard copies to follow through regular mail. Two of the Exhibits and Attachments are proprietary reports developed by CP&L's vendor Holtec International. These two reports are being filed pursuant to the Board's Memorandum and Order (Protective Order) dated April 1, 1999. These two reports are being filed in a separate notebook marked "Proprietary Materials," with pages in the reports marked "Holtec Proprietary Information." Both reports have been previously submitted to the NRC as proprietary documents pursuant to 10 C.F.R. § 2.790(b), including required affidavits providing the basis for withholding from public disclosure. Consequently, these two reports are not being served on the Office of the Secretary. Please treat these two reports as proprietary and withhold them from public disclosure.

Sincerely,

John H. O'Neill, Jr.
