

DOCKET NUMBER
PROPOSED RULE PR 20

(64FR35090)

574

DOCKETED
USNRC

From: Katherine Rhoda <krhoda@world.oberlin.edu>
To: TWFN_DO.twf2_po(NRCWEB)
Date: Wed, Dec 22, 1999 1:56 PM
Subject: release of solid materials for recycling and reuse

'99 DEC 27 AM 11:16

To the NRC:

I am writing to register my objection to the release of radioactively contaminated solid materials and wastes for recycling and reuse. It is unconscionable to increase exposure to ionizing radiation as the effect of even small doses is cumulative.

Urgently,
Katherine Rhoda
PO Box 563
Bethlehem
