Subject: Recycling of Radioactive Materials

'99 DEC 27 AS 106

Dear Sir-

We have just recieved an e-mail in reference to your intention to allow the recycling of radioactive materials. I would like to object to your decision to allow this. I may not live in the affected area, but this would be a horrible precedent to set. I wish I could write more descriptively of how much I disagree, but my toddler is tugging at me for attention.

Please reconsider.

Sincerely,

Juliana M. Schmitt
