

DOCKET NUMBER
PROPOSED RULE **PR 20**
(64FR35090)

585

From: Saule Ospanova <cse@igc.org>
To: OWFN_DO.owf5_po(SECY)
Date: Wed, Dec 22, 1999 5:18 PM
Subject: Rules on Radwaste

99 DEC 27 09:13

Please take note that the Center for Safe Energy strongly believes that NRC rules on radioactive waste should prohibit radioactive releases AT ANY LEVEL and should require recapture of already-released radioactive materials.
