

DOCKET NUMBER
PROPOSED RULE **PR 20**
(64FR35090)

281 Lum Rd. DEC 29
Cincinnati, NY 13040
12/18/99

Dear Mr. Richard Meserve

Radioactive waste in any form is a hazard to the public. Children and women are at greatest risk and recycling any contaminated materials is a No-No!

That is why Citizens Against Radioactive Dumping (CARD) was formed. Many Radioactive Material Seminars were held in Cortland, NY, and defeat of the NYS Siting Commission and No dump at Taylor, NY. Zero radiation ought to be the standard.
Sincerely, Allen H Lum
