OFFICE

ADMINISTRATIVE

Mr. and/or Madame Secretary:
This letter is to demand
that you and NRC keep
radioactive wastes and ma-
terials from nuclear power
and weapons isolated from
the public and the en-
vironment and prohibit
any "released" from regu-
latory control.

2. that you and NRC
prohibit radioactive
materials from entering
the consumer market
place or anywhere but
licensed radioactive
facilities.

3. that you and NRC
recapture that which
has been released.

4. work for an Inter
(over)

national prohibition on
radioactive release.

I do not want a
sick environment and/or
sick people and other
living beings as the
result of nuclear and
non nuclear wastes
mixed together!

Sincerely yours,
Barbara Keenan
