**Subject: Westinghouse Proprietary Stamp - Waste License Application**

Dear Ms. Wright:

Please be advised that Westinghouse agrees to the removal of the "Westinghouse Proprietary" Heading from the top of my two letters to Mr. Ronald D. Hauber (Reference: EFM-99-0201 dated September 7, 1999 and EFM-99-0258 dated November 24, 1999) requesting a NRC Waste License to export waste to Mississauga Metals and Alloys, Inc. of Canada. This will allow the information (letters) to be placed in the NRC Public Document Room in Washington, D.C. for access by the public.

Regards,

Edward F. McDonough  
Senior License Administrator
