Subject: Docket 50-156; Change in operating organization

The following information is submitted in compliance with Technical Specification 6.7c(3) and 10 CFR 50.74. The following change is effective today, January 6, 2000.

Robert J. Agasie, License SOP-70153, Docket 55-70136, has returned as an employee of the university. He has completed the required actions for restoration to licensed duties in accordance with UWNR 004, Operator Proficiency Maintenance Program. Since his return to the university in November 1999 he has completed 6 hours of on-shift operating duties under supervision of another licensed individual, participated in annual maintenance shutdown activities, received a satisfactory evaluation on an oral/performance examination, and passed the annual examination previously taken by other operators. In addition, he took and passed the NRC prepared operator license examination given in May 1999.

Accordingly, he is reappointed as a senior reactor operator with a working title of Associate Reactor Director.

Very truly yours,

R. J. Cashwell  
Reactor Director

S. M. Matusewic  
Training Coordinator
