SUBJECT:

TRANSCRIPT OF PUBLIC MEETING

Attached is a copy of a transcript of a Public meeting on defense in depth as applied to a possible high-level waste repository at Yucca Mountain, Nevada, held in Las Vegas, Nevada on November 2, 1999.

It should be docketed with the proposed rulemaking on Part 63 published February 22, 1999 (64 FR 8639), but not as public comments on that rulemaking.
