June 17, 1998

TO: Commissioner McGaffigan  
FROM: Shirley Ann Jackson  
SUBJECT: COMMISSION TRAVEL

Consistent with our discussion last week concerning travel for the balance of FY 1998, I will initiate the transfer of funds from within the Management and Support Program in order to provide adequate funding for planned Commission travel for the balance of the year. As we agreed, this allows for the planned as identified in the attached table.

Once I have received your concurrence that the information provided accurately reflects our discussion, I will advise the Office of the Chief Financial Officer to contact your office in order to initiate the actions necessary to adjust funding of blanket authorities to reflect this information.

Additionally, as we discussed, should Commissioner Dicus' renomination be delayed, the funding for her travel will not be used for additional Commission travel without further discussion by the Commission.
