Subject: Re: Concurrence for MDNR EA on license

Sherry,

I had replied to your request but somehow i must have pressed the wrong button. In any event, the EA looks good. SCA is currently owned bt Waste Management Inc. but perfer to use SCA for all of these articles that get published. I hope this does get to you. Sorry for my mistake. Ed

Ed,

I've attached the draft Environmental Assessment (EA) for the licensing of Michigan Department of Natural Resources Tobico Marsh site. This draft EA is to be sent to the State (MDEQ and MDNR) for comment. Please concur or provide me your comments. Because I'll be out of the office for 2.5 weeks after this Thursday, may you respond by noon, Thursday, April 22?

Thanks,
Sherry
