Re: Freedom of Information Act Request

Dear Sir/Madam:

This letter is a formal request for information pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the federal regulations pertaining to the U.S. Nuclear Regulatory Commission ("NRC"), 10 C.F.R.

Pursuant to the above, we hereby request the following records, documents and information within the possession or control of the NRC:

1. Documents relating to the closure of licensed sites or facilities in the United States where radioactive materials, other than "high-level" radioactive materials as that term is defined under the Nuclear Waste Policy Act of 1982, 42 U.S.C.A. § 10101 et seq., have been left on-site.

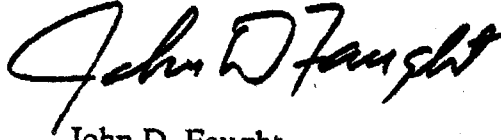

We request that the existence and identity of any requested documentation be confirmed in writing and made available to our firm for copying as soon as possible. Further, if any documents are withheld, we request a list of the documents withheld and a statement of the reasons for withholding each such document. Our firm will pay reasonable fees incurred in responding to this request.
