

DOCKET NUMBER
PROPOSED RULE **PR 20**
(64FR35090)

3311 No. Fremont
Tucson AZ 85719
DOCKETED
JANUARY 8, 2000
USNRS

Secretary, US Nuclear Regulatory
Washington, DC 20555
OFFICE OF
RULE
ADJUDICATION STAFF

Attention: Rulemaking and Adjudication

I am very concerned that
radioactive waste may be
recycled into consumer products.
Radioactive waste should be
responsibly stored to protect citizens
from contamination. No dose
is acceptable and radiation
exposure must be avoided.

Sincerely yours
Bernice Mueller
