TRANSCRIPT (TAC NO. MA6059)**

Dear Mr. Necci:

Enclosed for your information is a copy of the transcript of the public meeting held by the NRC staff, with participation by Northeast Nuclear Energy Company, on August 25, 1999, at the Waterford, Connecticut, Town Hall on the decommissioning program for Millstone, Unit 1. The transcript has been reviewed by the NRC staff and pen-and-ink corrections have been made in those instances where the transcript clearly does not reflect the actual words used by the various speakers.

The current distribution list for Millstone 1 has been expanded for this correspondence to include the individuals who placed their names and addresses on the transcript request form provided at the meeting. In addition, on October 5, 1999, an electronic file of the transcript (annotated in redline-strikeout format to include the pen-and-ink corrections to the paper copy) was placed on the NRC external website for public access.
