Subject: RECOVERED PORTABLE GAUGE

The Florida Bureau of Radiation Control notified NRC that the licensee (Professional Engineering and Inspection Company, Inc.) had recovered the missing Troxler gauge. An individual notified the local news media about 11:00 p.m. on December 1, 1999 that they had possession of the gauge. The licensee was subsequently notified, and the gauge was picked up by the licensee during the morning of December 2, 1999. The licensee reported that the gauge was not damaged.

This information is current as of 08:30 a.m., Thursday, December 2, 1999.
