NOTES

1. Documents processed may result in the creation of one or more ADAMS records (profiles).
2. Documents processed may be held for several days in accordance with NRC policy on timing of the release of public documents (see accession number ML993230279 in ADAMS).
3. Contractor staffing level was below 50% due to the inclement weather on 1/20/2000 resulting in significantly lower processing numbers.
