SUBJECT: TMI-1 TRANSFER ORDER EXTENSION REQUEST - (TAC NO. MA7237)

Dear Mr. Cotton:

By letter dated November 24, 1999, GPU Nuclear, Inc (then-licensee for Three Mile Island Nuclear Station, Unit 1 (TMI-1)) and AmerGen Energy Company, LLC, requested an extension until April 12, 2000, of the Commission's Order approving the sale and license transfer of TMI-1 from GPU Nuclear, Inc., to AmerGen Energy Company, LLC. This request was sought to provide additional time for receipt of approval of the sale by the Board of Utilities for the State of New Jersey (NJ-BPU). By letter dated December 7, 1999, GPU Nuclear, Inc., subsequently notified the Nuclear Regulatory Commission in accordance with the provisions of the Order that it had received approval of the sale by NJ-BPU. The conforming TMI-1 license amendment was issued on December 20, 1999, the date the sale was completed. Subsequently, by letter dated December, 28, 1999, you requested that the November 24, 1999, request for extension be withdrawn from further consideration. This letter acknowledges your request and completes our effort under TAC No. MA7237.

Sincerely,

/RA/
