Dear Mr. King:

On February 9, 1999, the Union Carbide Corporation license for the Bushy Run Research Center (License No. 37-19533-01) in Export, Pennsylvania was terminated. As such, financial assurance is no longer required for the Bushy Run facility.

The Standby Trust Agreement (April 23, 1991) and the Irrevocable Standby Letter of Credit (April 30, 1991) between Union Carbide and Chemical Bank provides financial assurance for both the terminated Bushy Run license (37-19533-01) and the South Charleston, West Virginia license (License No. 47-00260-02). Since the South Charleston license is still active, we are transferring the Standby Trust Agreement and the Irrevocable Standby Letter of Credit to the NRC Region II Office. Both of these documents should be amended to address only the South Charleston facility.

Sincerely,

*Original signed by Pamela J. Henderson*
