United States Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Sirs:

Enclosed is a CD-ROM of the Westinghouse AP600 Design Control Document (DCD) in portable document format (pdf). This version of the DCD is that which forms the basis for the AP600 final design certification rule published in the Federal Register on December 23, 1999. I am submitting this CD-ROM so that the NRC has a consolidated version of the AP600 DCD in an electronic format.

For the purpose of cross referencing the CD-ROM to previous submittals, the DCD on this CD-ROM contains the material submitted by Westinghouse to the NRC in the following letters:

<u>Letter</u>	<u>Date</u>	<u>Subject</u>
DCP/NRC1448	November 30, 1998	Original Issue
DCP/NRC1452	February 10, 1999	2/99 Revision (1)
DCP/NRC1454	March 31, 1999	3/99 Revision (2)
DCP/NRC1455	September 29, 1999	9/99 Revision (3)
DCP/NRC1457	December 10, 1999	12/99 Revision (4)

Please contact me at 412-374-4334 if you have any questions concerning this transmittal.

Brian A. McIntyre  
Manager, Advanced Plant Safety and Licensing
