SUBJECT REQUEST FOR STAFF PARTICIPATION IN A WORKING  
GROUP TO REVIEW/REVISE NRC INSPECTION  
MANUAL CHAPTER (MC) 2800

We are establishing a Working Group to review/revise MC 2800 (Attachment 1). This Working Group is being formed to conduct a thorough review of the MC and to address unresolved issues identified during the last revision to the MC (Attachment 2)

We believe it is important that a representative from your office participate on the working group. The Working Group will meet in the Regulatory Product Development Center TWF 8C5 (A), Wednesday and Thursday, April 19-20, 2000 at 8:00 a.m.

CONTACT: Jenny M. Johansen, NMSS/IMNS  
(301) 415-6263

Please provide the name of the individual from your staff who will participate on this Working Group to Jenny Johansen within 5 days of the date of this memorandum

Attachments:

1. MC 2800 dated 12/30/99 (Accession No. ML003680406)
2. Unresolved Comments dated 11/29/99 (Accession No. ML003680418)

To receive a copy of this document, indicate in the box "C" = copy without attachment/enclosure, "B" = copy with attachment/enclosure, "N" = No copy
