ARTICLE II

Establishment of Trust

2.1. Purpose. The Old Dominion Electric Cooperative Nuclear Decommissioning Trust is intended to provide a source of funds to Decommission North Anna in which the Company has a direct ownership interest to the extent of that interest. No part of the Fund may be used for, or diverted to, any purposes other than for Decommissioning North Anna.

2.2. Construction. The provisions of this Agreement, and the definitions contained herein, are intended to be construed in accordance with and consistent with Applicable Laws and Regulations. The Company shall have the authority to construe all such Applicable Laws and Regulations and shall have sole responsibility hereunder for determining the scope of same, which determinations shall be final and binding upon the Trustee and all persons interested in the Trust.

2.3. Separate Trust. The Fund established hereunder shall constitute a separate trust and shall be held and administered pursuant to the terms of the Agreement to defray the Decommissioning Costs and Administrative Expenses associated with North Anna.

2.4. Domestic Trust. The Trust established hereunder shall at all times be maintained as a domestic trust in the United States.

2.5. Contributions.

(a) On the date first written above, the Company shall cause Litten, Sipe & Miller, as trustee of the Predecessor Fund, to assign, transfer title and pay over to Bankers Trust Company the funds and properties constituting the Predecessor Fund.

(b) From time to time, the Company shall make Contributions to the Trust. The Trustee shall have no responsibility to any Person for enforcing payment of any Contributions to, or for the timing, computation, deductibility or amount thereof, or for the adequacy of the Fund or the funding standards adopted by the Company to meet or discharge any Decommissioning Expenses or other liabilities in connection with North Anna. If any Contributions or part thereof are subsequently determined by the Company in its sole and absolute discretion to be Excess Contributions, then, anything herein to the contrary notwithstanding, the Company shall advise the Trustee of the amount of the Excess Contributions and shall, in its sole discretion, thereafter reduce and/or modify the amount of future Contributions to the Fund to reflect the fact that it had made Excess Contributions. Anything in the preceding sentence to the contrary notwithstanding, in the event that the Company makes an election under Section 468A of the Code with respect to the Fund, then, upon the receipt of written notice from the Company of the amount of Excess Contributions, the Trustee shall pay over to or on the order of the Company the amount stated therein.

2.6. Valuations. The Trustee shall determine the value of the assets of the Fund as of each Valuation Date. Assets will be valued at their market values at the close of business on the Valuation Date, or, in the absence of readily ascertainable market values, at such values as the Trustee shall determine in accordance with methods consistently followed and uniformly applied. Anything in this Agreement to the contrary notwithstanding, with respect to assets constituting part of a Directed Fund, the Trustee may rely for all purposes of this Agreement on the latest valuation and transaction information submitted to it by the Board of Directors, or by the Committee or by any other Asset Manager, as directed by the Board of Directors, responsible for the investment of such assets even if such information predates the Valuation Date. The Board of Directors will cause such Person to provide the Trustee with all information needed by the Trustee to discharge its obligations to value such assets and to account under this Agreement.

2.7. Other Records and Returns. The preparation, filing, making and accuracy of any periodic returns or reports or deposits required to be filed or made on account of the Fund with any Federal, state or local taxing authority shall be the sole responsibility of the Company and the Trustee's responsibility under this Agreement shall

be limited to signing any return on which its signature is required to secure a timely filing at the direction of an Authorized Person and disbursing monies to pay such taxes and expenses incurred in connection with or arising out of the preparation or filing of such returns from the Fund pursuant to a Payment Certificate. The Trustee will provide to the Company all information in its possession which is reasonably requested by the Company and is relevant to the preparation of such periodic returns or reports.

2.8 Grantor Trust. It is the intention of the Company that this Trust should be taxed as a "grantor trust" for federal and state income tax purposes, pursuant to Section 671 of the Code.

ARTICLE III

Administration of Funds

3.1. Disbursement of Assets. Upon the delivery of a Payment Certificate the Trustee shall deliver monies from the Fund, free of trust, to or on the order of an Authorized Person. The Payment Certificate shall include:

- (1) the name and address of the person or entity to whom payment is due (which may be the Company); and
- (2) the amount of money to be paid or assets to be transferred.

The Payment Certificate need not disclose the purpose for which the payment is being made. The Company shall be solely responsible for ensuring that assets of the Fund are disbursed hereunder solely for the purposes of paying Decommissioning Costs and Administrative Expenses, or when circumstances permit or require and upon obtaining any required approval of the Commission or any other Person, to the Company as Excess Contributions or Excess Funds, or to a successor trustee in connection with the transfer of an ownership interest in North Anna.

3.2. Excess Funds. Upon the termination of the Fund pursuant to Article X, Excess Funds, if any, shall revert to the Company.

3.3. Transfer of Ownership. The Company shall not have the right to transfer its interest in the Fund at any time. However, if the Company's direct ownership

interest in North Anna is sold, exchanged, or otherwise disposed of, in whole or in part, the Company may terminate the Trust established hereunder which contains the Fund and shall transfer the assets of the Fund to the Company's successor in interest to the extent required by Applicable Laws and Regulations or maintain the Fund to the extent required by Applicable Laws and Regulations. The Trustee may, upon election by the Company's successor in interest, enter into a separate trust agreement with the Company's successor in interest containing substantially the same terms as set forth herein and shall transfer from the Fund the amount stated in the Payment Certificate to the separate trust. In the event that the Company's successor selects another trustee to administer the separate trust, the Trustee shall transfer from the Fund the amount specified in the Payment Certificate to the transferee trustee, and the Trustee shall have no further duties or obligations with respect to the amount transferred or with respect to the transferee trust.

3.4. Reliance on Company. The Trustee shall not be responsible for the form or content of any Payment Certificate delivered to it under any provision of the Agreement. The Trustee shall charge such transfer of assets against the Fund. Each direction to the Trustee in a Payment Certificate shall constitute a certification by the Company that such direction is in accordance with Applicable Laws and Regulations, the terms of this Agreement, and all requisite consents, waivers or approvals of the Commission or any other Person have been duly and validly obtained, given or waived, as the case may be. The Trustee may rely conclusively on any such Certificate and shall have no duty to make any independent inquiry or investigation before acting upon any direction contained therein.

3.5. Duty to Enforce Claims. The Trustee shall have no duty to commence or maintain any action, suit or legal proceeding on behalf of the Trust or the Fund unless the Trustee has been directed to do so by the Board of Directors, or the Committee or any Asset Manager if such authority has been delegated, and unless the Trustee is either in possession of assets sufficient for such purpose or unless it has been indemnified by the Company, to its reasonable satisfaction, for counsel fees, costs and other expenses and liabilities to which it, in its sole judgment, may be subjected by beginning or maintaining such action, suit or legal proceeding.

ARTICLE IV

Management of Assets

4.1. Asset Managers. Discretionary authority for the management and control of assets held in the Fund shall at all times be retained by the Board of Directors. The Board of Directors may, from time to time, and in its absolute discretion, allocate or delegate, as the case may be, such discretionary authority to the Committee and/or to and among the Asset Managers. The terms and conditions of appointment, authority and retention of any Asset Manager shall be the sole responsibility of the Board of Directors, unless it has delegated such responsibility to the Committee. The Board of Directors or the Committee, whichever the case may be, shall promptly notify the Trustee in writing of the appointment or removal of an Asset Manager.

4.2. Investment Discretion. Subject to the provisions of Section 4.3, and as permitted by Applicable Laws and Regulations, the assets of the Fund shall be invested and reinvested, without distinction between principal and income, at such time or times in such investments and pursuant to such investment strategies or courses of action and in such shares and proportions, as the Board of Directors, either directly, or through the Committee or any other Asset Manager to whom such authority has been delegated, shall deem advisable.

4.3. Limitations on Investment and Other Discretion. The Board of Directors or the Committee, if such authority has been delegated, may limit, restrict or impose guidelines affecting the exercise of the powers or discretions herein conferred on any Asset Manager. Any limitations, restrictions or guidelines applicable to the Trustee, as Asset Manager, shall be communicated in writing to the Trustee. The Trustee shall have no responsibility with respect to the formulation of any funding policy or any investment or diversification policies embodied therein. The Board of Directors shall be solely responsible for communicating and monitoring adherence to any limitations or guidelines imposed on any Asset Manager by the Board of Directors, the Committee, this Agreement, or Applicable Laws and Regulations, and the Trustee shall have no responsibility therefor.

4.4. Responsibility for Diversification. The Board of Directors, or the Committee, if such authority has been delegated, shall be responsible for determining the

diversification policy, if any, for a Fund, for monitoring adherence by the Asset Managers (other than the Trustee) to such policy, and for advising the Asset Managers with respect to any other limitations on investments of the assets in any Fund imposed on such Fund by the Board of Directors, the Commission or Applicable Laws and Regulations.

ARTICLE V

Responsibility for Directed Funds

5.1. Responsibility for Selection of Agents. All transactions of any kind or nature in or from a Directed Fund shall be made upon such terms and conditions and from or through such principals and agents as the Board of Directors, or the Committee or any other Asset Manager shall direct. No such transactions shall be executed through the facilities of the Trustee except where the Trustee is permitted to and shall make available its facilities solely for such purposes. This Section 5.1 shall in no way limit or otherwise affect the rights, powers and authorities conferred on the Board of Directors under Article IV hereof.

5.2. Trustee Not Responsible for Investments in Directed Funds. The Trustee shall be under no duty or obligation to review or to question any direction of the Board of Directors, or of the Committee or of any other Asset Manager appointed by the Board of Directors, or to review securities or any other property held in any Directed Fund with respect to prudence or proper diversification or compliance with any limitation of any kind or nature imposed by the Board of Directors, or by the Committee on any other Asset Manager's authority, or to make any suggestions or recommendation to the Board of Directors, to the Committee or to any other Asset Manager with respect to the retention or investment of any assets of any Directed Fund, and shall have no authority to take any action or to refrain from taking any action with respect to any asset of any Directed Fund unless and until it is directed to do so by the Board of Directors, or by the Committee or by any other Asset Manager appointed by the Board of Directors. No provision of this Agreement is intended to confer any authority upon the Trustee to invest the cash balances of any Directed Fund unless and until it receives directions from the Board of Directors or from the Committee or from any other Asset Manager appointed by the Board of Directors.

5.3. Investment Vehicles. Any Investment Vehicle, or interest therein, acquired by or transferred to the Trustee upon the directions of the Board by Directors, or the Committee or any other Asset Manager shall be allocated to the appropriate Directed Fund, and the Trustee's duties and responsibilities under this Agreement shall not be increased or otherwise affected thereby. The Trustee shall be responsible solely for the safekeeping of the evidence of the Fund's ownership of or interest or participation in such Investment Vehicle.

5.4. Reliance on Asset Manager. The Trustee shall be required under this Agreement to execute documents, to settle transactions, to take action on behalf of or in the name of each Directed Fund and to make and receive payments on the direction of the Asset Manager. The Trustee may rely on the Instructions of the Asset Manager as confirmation (i) that the investment is authorized under the terms of this Agreement and any other instrument or law affecting the Asset Manager's authority to deal with such Directed Fund, (ii) that any contract, agency, joinder, adoption, participation or partnership agreement, deed, assignment or other document of any kind which the Trustee is required to execute to effectuate the transaction has been reviewed by the Asset Manager and, to the extent it deems advisable and prudent, its counsel, (iii) that such instrument or document is in proper form for execution by the Trustee, (iv) that, where appropriate, insurance protecting such Directed Fund against loss or liability has been or will be maintained in the name of or for the benefit of the Trustee, and (v) that all other acts to perfect and protect such Directed Fund have been taken, and the Trustee shall have no duty to make any independent inquiry or investigation as to any of the foregoing before acting upon such Instructions. In addition, the Trustee shall not be liable for the default of any Person with respect to any investment in a Directed Fund or for the form, genuineness, validity, sufficiency or effect of any document executed by, delivered to or held by it for any Directed Fund on account of such investment, or if, for any reason any rights of such Directed Fund therein shall lapse or shall become unenforceable or worthless.

5.5. Merger of Funds. The Trustee shall not have any discretionary responsibility or authority to manage or control any asset held in a Directed Fund upon the resignation or removal of an Asset Manager unless and until it has been notified in writing by the Board of Directors, or by the Committee upon the direction of the Board of Directors

that such Asset Manager's authority has terminated and that such Directed Fund's assets are to be integrated with the Discretionary Fund. Such notice shall not be deemed effective until two bank business days after it has been received by the Trustee. The Trustee shall not be liable for any losses resulting from the disposition by it of any investment made by the Board of Directors, or the Committee or any other Asset Manager, as the case may be, or for the retention of any illiquid or unmarketable investment or any investment which is not widely publicly traded or for the holding of any other investment acquired by the Board of Directors, or the Committee or any other Asset Manager, as the case may be, if the Trustee is unable to dispose of such investment because of any restrictions imposed by the Securities Act of 1933 or other Federal or state law, or if an orderly liquidation of such investment is impractical under prevailing conditions, or for failure to comply with any investment limitations imposed pursuant to Section 4.3, or for any other violation of the terms of this Agreement or applicable law as a result of the addition of the assets of any Directed Fund to the Discretionary Fund.

5.6. Restrictions on Transfer. Nothing herein shall be deemed to empower any Asset Manager to direct the Trustee to transfer any asset of a Directed Fund to itself except for purposes enumerated in paragraph (n) and (o) of Section 6.1.

ARTICLE VI

Powers and Delegation of Authority

(d) to enter into contracts or to make commitments either alone or in company with others to sell or acquire property;

(e) to purchase or sell, write or issue, puts, calls or other options, covered or uncovered, to enter into financial futures contracts, forward placement contracts and standby contracts, and in connection therewith, to deposit, hold (or direct Bankers, as Trustee or in its individual capacity, to deposit or hold) or pledge assets of the Trust;

(i) to vote upon any stocks, bonds or other securities (but subject to the suspension of any voting rights as a result of any broker loan or similar agreement); to give general or special proxies or powers of attorney with or without power of substitution; to exercise any conversion privileges, subscription rights or other options and to make any payments incidental thereto; to oppose, consent to or otherwise participate in corporate reorganizations or other changes affecting corporate securities and to delegate discretionary powers and to pay any assessments or charges in connection therewith; and generally to exercise any of the powers of an owner with respect to stocks, bonds, securities or other property;

(j) to organize corporations under the laws of any state for the purpose of acquiring or holding title to property (or to direct the Trustee to organize such corporations or to appoint an ancillary trustee acceptable to the Trustee for such purpose);

(k) to invest in a fund consisting of securities issued by corporations and selected and retained solely because of their inclusion in, and in accordance with, one or more commonly used indices of such securities, with the objective of providing investment results for the fund which approximate the overall performance of such designated index;

(l) to enter into any partnership, as a general or limited partner, or joint venture;

(m) to purchase units or certificates issued by an investment company or pooled trust or comparable entity;

(n) to transfer money or other property to an insurance company issuing an insurance contract;

(o) to transfer assets of a Discretionary or Directed Fund to a common, collective or commingled trust fund exempt from tax under the Code maintained by any Asset Manager, or an affiliate of any Asset Manager, or by another trustee who is designated by the Board of Directors or by the Committee, as directed by the Board of Directors, to be held and invested subject to all of the terms and conditions thereof, and such trust shall be deemed adopted as part of the Trust to the extent that assets of a Fund are invested therein; provided, however, that any transfer from a Directed Fund to the General Trust may be made only with the prior approval of the Trustee and shall be invested only in one or more short term investment funds established from time to time thereunder; and

(p) to be reimbursed for the expenses incurred in exercising any of the foregoing powers or to pay the reasonable expenses incurred by any agent, manager or trustee appointed pursuant hereto.

6.2. Additional Powers of Trustee. In addition to those powers and discretions which the Trustee, acting as an Asset Manager pursuant to the directions of the Board of Directors, or the Committee or any other Asset Manager, as the case may be, is authorized to exercise pursuant to Section 6.1, the Trustee acting as such is hereby authorized:

(a) to register any securities held for the Fund in its own name or in the name of a nominee and to hold any securities in bearer form, and to combine certificates representing such securities with certificates of the same issue held by the Trustee in other fiduciary or representative capacities or as agent for customers, or to deposit or to arrange for the deposit of such securities in any qualified central depository even though, when so deposited, such securities may be merged and held in bulk in the name of the nominee of such depository with other securities deposited therein by other depositors, or to deposit or arrange for the deposit of any securities issued by the United States

(c) to deposit assets in interest bearing account deposits maintained by or savings certificates issued by Bankers, in its separate corporate capacity, or in any other banking institution affiliated with Bankers;

(f) at the direction of the Board of Directors, or the Committee or any Asset Manager, if such authority has been delegated, to maintain and operate one or more market inventory funds as a vehicle to exchange securities among Discretionary and Directed Funds without alienating the property from the Trust;

(g) at the direction of the Board of Directors, or the Committee or any Asset Manager, if such authority has been delegated, to loan securities to brokers or dealers or other borrowers under such terms and conditions as the Trustee, in its absolute discretion, deems advisable; to secure the same in any manner permitted by Applicable Laws and Regulations and the provisions of this Agreement, and during the term of any such loan, to permit the loaned securities to be transferred into the name of and voted by the borrowers or others, and, in connection with the exercise of the

powers hereinabove granted, to hold any property deposited as collateral by the borrower pursuant to any master loan agreement in bulk, either as provided in paragraph (a) of this Section 6.2 or otherwise, together with the unallocated interests of other lenders, and to retain any such property upon the default of the borrower, whether or not investment in such property is authorized under this Agreement, and to receive compensation therefor out of any amounts paid by or charged to the account of the borrower;

(h) to hold uninvested cash awaiting investment and such additional cash balances as it shall deem reasonable or necessary, without incurring any liability for the payment of interest thereon; and

(i) to do all acts, take all proceedings, and exercise all rights and privileges, although not specifically mentioned herein, as the Trustee deems necessary to carry out the purposes of this Agreement.

6.3. Prior Consent. The discretionary powers conferred under paragraphs (i) and (n) of Section 6.1 shall be exercised only with the prior written consent of the Board of Directors, or of the Committee, if such authority has been delegated.

ARTICLE VII

Records and Accounts of Trustee

7.1. Records. The Trustee shall keep accurate and detailed accounts of all investments, receipts, disbursements and other transactions involving the Fund and all accounts, books and records relating thereto shall be open to inspection and audit at all reasonable times during normal business hours by any Person designated by the Board of Directors or the Committee, as the case may be. Except as the Trustee and the Board of Directors, or the Committee, if authorized by the Board of Directors, may otherwise agree in writing, the Trustee shall not be required to maintain any additional records or accounts with respect to the Fund.

7.2. Annual Account. Within sixty (60) days following the close of each Accounting Period, the Trustee shall file with the Board of Directors or the Committee, as the case may be, a written account setting forth the receipts and disbursements of the Fund and the investments

and other transactions effected by it upon its own authority or pursuant to the directions of any Person as herein provided during the Accounting Period.

7.3. Account Stated. Upon the expiration of one hundred twenty (120) days from the date of filing its annual account with the Board of Directors or the Committee, as the case may be, the Trustee shall be forever released and discharged from all liability and further accountability to the Company or any other Person with respect to the accuracy of such accounting and the propriety of all acts and failures to act of the Trustee reflected in such account, except with respect to any such acts or transactions as to which the Board of Directors or the Committee, as the case may be, shall, within such 120-day period, file with the Trustee specific written objections.

7.4. Judicial Accountings. Nothing herein shall in any way limit the Trustee's right to bring any action or proceeding in a court of competent jurisdiction to settle its account or for such other relief as it may deem appropriate.

7.5. Necessary Parties. No Person other than the Company shall be a necessary party in any proceeding under Section 7.4 or may require the Trustee to account or may institute any other action or proceeding against the Trustee.

ARTICLE VIII

Any expenses incurred by the Trustee in connection with the Nuclear Decommissioning Trust and the Fund including, but not limited to, fees for legal services rendered to the Trustee, such compensation to the Trustee as shall be agreed upon from time to time between the Trustee and an officer of the Company, and all other proper charges and disbursements of the Trustee, shall be charged to and paid as Administrative Expenses from the Fund upon notice to the Committee without the issuance of a Payment Certificate. Anything in the preceding sentence to the contrary notwithstanding, the Trustee's entitlement thereto shall constitute an obligation of the Fund. The Company shall reimburse the Trustee for any such expenses if for any reason such expenses are not paid out of the Fund. The Trustee's entitlement to

reimbursement hereunder shall not be affected by the resignation or removal of the Trustee or by the termination of the Agreement or of any Fund.

8.2. Taxes. All taxes of any and all kinds whatsoever that may be levied or assessed under existing or future laws, domestic or foreign, upon the Fund or the income thereof shall be paid from the Fund.

8.3. Indemnity. In consideration of Bankers Trust Company's agreeing to enter into this Agreement and act as Trustee hereunder, the Company hereby agrees to hold harmless Bankers, individually and as Trustee, and Bankers' directors, officers, and employees, from and against all amounts, including without limitation taxes, penalties, expenses (including reasonable counsel fees), liabilities, claims, damages, actions, suits or other charges, incurred by or assessed against Bankers, individually or as Trustee, or its directors, officers or employees, arising out of this Agreement or its acting as Trustee, other than those incurred as a result of its own bad faith, negligence or willful misconduct. The undertaking made in this Section 8.4 shall be binding on the Company, its successors and assigns and shall survive termination, amendment or restatement of this Agreement, or the resignation or removal of the Trustee.

ARTICLE IX

Resignation or Removal of Trustee

9.1. Resignation or Removal. The Trustee may be removed by the Company at any time upon sixty (60) days' notice in writing to the Trustee. The Trustee may resign at any time upon sixty (60) days' notice in writing to the Company.

9.2. Designation of a Successor. Upon the removal or resignation of the Trustee, the Company shall appoint a successor trustee and upon acceptance of such appointment by the successor trustee, the Trustee shall assign, transfer and pay over the assets of the Fund then held under the Trust to such successor trustee. If, for any reason, the Company cannot or does not act promptly to appoint a successor trustee in the event of the resignation or removal of the Trustee, the Trustee may apply to a court of competent jurisdiction for the appointment of a successor trustee.

Any expenses incurred by the Trustee in connection therewith shall be charged to and paid as an Administrative Expense.

9.3. Reserve for Expenses. The Trustee is authorized to reserve such amount as to it may seem reasonably advisable for payments of its fees and expenses in connection with the settlement of its account or otherwise, and any balance of such reserve remaining after the payment of such fees and expenses shall be paid over in accordance with the directions of the Company under Section 9.2.

ARTICLE X

Amendment or Termination

10.1. Amendment. The Company reserves the right at any time and from time to time to amend, in whole or in part, any or all of the provisions of this Agreement (including, but not limited to, an amendment that would enable the Company to establish a qualified nuclear decommissioning trust fund under section 468A of the Code, in the event that the Company becomes an "eligible taxpayer" under section 468A of the Code) by notice thereof in writing delivered to the Trustee; provided, however, no amendment which affects the rights, duties or responsibilities of the Trustee may be made without its prior written consent.

10.2. Termination. (a) The Trust created hereunder is an irrevocable trust and, except as provided in Section 3.3, or upon the completion of Decommissioning of North Anna, the Company shall not have the right to terminate the Trust established hereunder.

Kennedy, the former Ambassador to the Court of Saint James, who are living on the date of the establishment of such Fund and, if such Fund is still in existence on such anniversary date, the Trustee shall dispose of the Fund as the Company shall direct. In the event that termination results from the removal of the Trustee, then such disposition shall be implemented in accordance with the provisions of Article IX.

10.3. Trustee's Authority to Survive Termination. Until the final distribution of the Fund, the Trustee shall continue to have and may exercise all of the powers and discretions conferred upon it by this Agreement.

10.4. Trustee's Reliance. The Trustee shall be entitled to assume without further inquiry that any notices, regulatory approvals or procedures required to be given, obtained and observed, as the case may be, have been given, obtained or observed and that any action taken by or on behalf of the Company under this Article X does not violate any Applicable Laws and Regulations.

11.7. Continuation of Authority. The Trustee shall have the right to assume, in the absence of written notice to the contrary, that no event constituting a change in the membership of the Committee or terminating the authority of any Authorized Person, including, but not limited to, any Investment Manager or any Person designated under the procedures specified in Section 11.1, has occurred.

11.8. No Obligation to Act on Unsatisfactory Notice.
