SUBJECT: JOSEPH M. FARLEY NUCLEAR PLANT, UNITS 1 AND 2 RE: 10 CFR
PART 50, APPENDIX R EXEMPTION REQUEST CLOSEOUT
(TAC NO. MA0875)

Dear Mr. Morey:

On February 6, 1998, you submitted revised exemption request 1-39 for Farley Nuclear Plant, Unit 1 to the NRC's fire protection regulations involving 3-sided Kaowool fire barriers. Your letter of January 25, 2000, indicated that you no longer need Exemption Request 1-39 and that you were withdrawing this exemption request. Accordingly, we stopped our review efforts on your exemption request and closed TAC No. MA0875.

Once you have formulated your final approach to resolving the Kaowool fire barrier issue, we will be available to meet with you. If an exemption request continues to be part of your approach, you can submit a new exemption request at your convenience. Please contact me at (301) 415-1423 if you have any questions about this.

Sincerely,

/RA/
