

January 27, 2000

Mr. David Lochbaum
Nuclear Safety Engineer
Union of Concerned Scientists
1616 P Street NW., Suite 310
Washington, DC 20036-1495

**SUBJECT: PUBLIC MEETING TO DISCUSS COMMENTS ON MANAGEMENT
DIRECTIVE 8.11, "REVIEW PROCESS FOR 10 CFR 2.206 PETITIONS"**

Dear Mr. Lochbaum:

The NRC staff has scheduled a public meeting on Thursday, February 10, 2000, to discuss any comments received on Management Directive 8.11. Please see the enclosed meeting notice. The management directive was published in the *Federal Register* for comment on October 7, 1999 (64 FR 54654). Although information concerning this meeting is available on the NRC web site, I wanted to ensure that you were aware of this meeting because of your known interest in improving the 2.206 petition process. Please share this information with any other individuals who may be interested.

Sincerely,

Original signed by:

Suzanne C. Black, Deputy Director
