**Subject: Application for Specific License to Export Special Nuclear Material
KEPCO Purchase Order C-99-NYGA-0132**

Dear Mr. Hauber:

This letter transmits our application for a license to export Special Nuclear Material to the Korea Electric Power Corporation. A check for \$1,700 is enclosed for assurances from the South Koreans as discussed earlier this week with Ms. Betty Wright.

Due to the relatively quick delivery time required by the end user, we are requesting expedited review and processing so that we can receive our license before our March 20, 2000, initial shipment date.

Thank you for your assistance.

Sincerely,
