**SUBJECT: REPLY TO A NOTICE OF VIOLATION
 DOCKET NO.: 99990003**

Gentlemen:

This correspondence is submitted in response to a NOTICE OF VIOLATION pursuant to the requirements in 10 CFR 2.201. For convenience, the numbered items below follow the numbered items in the NOTICE OF VIOLATION.

1. This violation occurred because the Radiation Protection Officer was unaware that the described gauge incident was subject to the reporting requirement.
2. The Radiation Protection Officer has reviewed the requirements and informed other individuals of the need to make a report in the event a gauge incident should recur.
3. To prevent recurrence of this violation, the Radiation Protection Officer will review all gauge incidents for reporting requirements.
4. Full compliance has been achieved.

If there are any questions or additional information is required, please contact me.

Sincerely,

William R. Koenig
