ALL AGREEMENT STATES
MINNESOTA, OKLAHOMA, PENNSYLVANIA, WISCONSIN

**PROGRAM MANAGEMENT INFORMATION: TECHNICAL CONFERENCING FORUM -
REQUEST FOR COMMENTS ON PRE-DECISIONAL DRAFT RULEMAKING PLAN
REVISING 10 CFR PARTS 40, 75, 110 AND 150 (SP-00-012)**

In All Agreement States letters SP-97-084, dated December 9, 1997, and SP-99-019, dated March 26, 1999, we described that the Nuclear Regulatory Commission's (NRC) primary means of distribution of pre-decisional and other documents of interest to Agreement States is the electronic subsystem that has been established for sole use by the Agreement States. This subsystem is under the Technical Conference Forum (TCF) of the NRC Home Page. The TCF subsystem can only be accessed by the Agreement States having a unique user name and password, which were last updated via All Agreement States letter SP-97-027.

The Office of Nuclear Material Safety and Safeguards has uploaded to the TCF the draft NRC Rulemaking Plan Revising 10 CFR Parts 40, 75, 110 and 150 with regard to "International Safeguards Access and Reporting Requirements for Licensees Processing Source and Special Nuclear Material, or Importing or Exporting Nuclear Fuel Cycle Related Material or Equipment." Your review and comment is invited on the draft Rulemaking Plan by **March 27, 2000**. Please provide comments to the extent you can either through the TCF or to the individual named below.

Due to its pre-decisional nature, this document is exempt from public disclosure under NRC rules. We request that you limit distribution to your staff and not release the document publicly. If this document is released, please inform **me or the individual named below within 24 hours**. The draft Rulemaking Plan can be accessed through the TCF subsystem at <http://techconf.llnl.gov/cgi-states/topics>, using your appropriate user name and password.
