REQUEST FOR ADDITIONAL INFORMATION
ENERGY NORTHWEST NUCLEAR PROJECT NO. 1
CONSTRUCTION PERMIT NO. CPPR-134

Provide a site restoration plan. This plan should include the condition of the facility on termination of the construction permit and an assessment of the environmental impacts of the proposed actions and environmental controls, any measures to reduce personnel hazard, and the redress actions needed to stabilize the site. It should also include description of any agreements, contracts or other requirements or stipulations that would further restrict or establish site conditions at and after proposed termination of the construction permit. Provide a list of the agencies and persons consulted and involved in the proposed action.
