Dear Mr. DeLaBarre:

Enclosed is a letter from Westinghouse Electric Company dated January 24, 2000, requesting an amendment to export license XSNM03014 to authorize the re-export of Canadian-origin material to Taiwan.

The current Administrative Arrangement under the U.S./Canada Agreement for Cooperation does not include Taiwan as a pre-approved country for re-export of Canadian-origin material.

Your assistance in obtaining the necessary Canadian approval for the requested transfer would be greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald D. Hauber", with a horizontal line extending to the right.
