Mr. Robin DeLaBarre Non-Proliferation/Nuclear Energy Affairs (NP/NEA) Department of State Washington, DC 20520

Dear Mr. DeLaBarre:

Enclosed is a letter from Westinghouse Electric Company dated January 24, 2000, requesting an amendment to export license XSNM03014 to authorize the re-export of Canadian-origin material to Taiwan.

The current Administrative Arrangement under the U.S./Canada Agreement for Cooperation does not include Taiwan as a pre-approved country for re-export of Canadian-origin material.

Your assistance in obtaining the necessary Canadian approval for the requested transfer would be greatly appreciated.

Sincerely,

Ronald D. Hauber, Deputy Director Office of International Programs
