John,

Thanks for the reminder.

I'll do it this week.. just too many things to do and no staff.... I guess it's the same for you.

Ann

Ann,

Please note, as a reminder of our telephone conversation on August 11, 1999, that I need an affidavit from you to treat Procedure Nos. 990601. SPE and 990602.SPE contained in your application as proprietary information. You may find what the affidavit should address in 10 CFR 270. J.J.
