Gentlemen:

In letter LR-N95018, dated March 30, 1995, Public Service Electric and Gas Company (PSE&G) committed to complete an assessment of Severe Accident Management capabilities, as described in Nuclear Energy's Institute's (NEI) 91-04, Revision 1, and implement any identified enhancements by December 31, 1998. This letter is being provided to inform the NRC that PSE&G has completed the activities associated with Severe Accident Management capabilities as committed to in letter LR-N95018.

If you have questions regarding the information in this submittal, please contact Brian Thomas at 856-339-2022.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Salamon", with a small "for" written to the right.

G. Salamon
