MEMORANDUM TO: Carl J. Paperiello
Deputy Executive Director
for Materials, Research and State Programs

FROM: Ashok C. Thadani, Director **(Original signed by TKing for)**
Office of Nuclear Regulatory Research

SUBJECT: TIMELINE FOR COMMISSION PAPER ON PERFORMANCE-BASED
ACTIVITIES HIGH LEVEL GUIDELINES

The purpose of this memorandum is to provide you with an update regarding how RES is proceeding on the Commission paper related to high-level guidelines for performance-based activities. In accordance with the attached timeline, the paper will be provided to the Commission on schedule by August 21, 2000. The steps to complete the paper include two public workshops on performance-based approaches and presentations to the ACRS and ACNW. We also expect that information on the staff's performance-based initiatives will be conveyed at public meetings being held to discuss risk-informed activities. Meanwhile, the Internet is also being used to provide information to the public through the Rulemaking Forum section of the NRC website (<http://ruleforum.llnl.gov>).
