Dear Mr. Plunkett:

This refers to the meeting conducted at your request at the NRC Region II office in Atlanta, Georgia on February 8, 2000. The meeting's purpose was to discuss Emergency Operating Procedures (EOP) issues and recent St. Lucie Unit 1 reactor trips. Enclosed are a list of attendees and the presentation handouts.

The discussions included the following topics: Summary of EOP Issues, EOP Program evaluation results, and status of corrective actions. A brief discussion of recent St. Lucie Unit 1 reactor trips followed. It is our opinion that this meeting was informative, and provided a candid assessment of your EOP program issues and corrective actions.
