amendment to
pending amendment
request*

Ms. Betty Wright
Office of International Programs
U.S. Nuclear Regulatory Commission
Washington, D.C.

Dear Ms. Wright:

Pursuant to our recent discussions regarding NRC license number XSNM03083, our client requests that the following information also be reflected in the pending amendment:

1. The intermediate consignee for fabrication purposes be changed from: Nuclear Fuel Industries, Ltd. to Mitsubishi Nuclear Fuel Company, Ltd., 622-1, Ohaza Funaishikawa, Tokai-mura, Naka-gun, Ibaraki Prefecture, 319-1197, Japan

Because this is time sensitive, any efforts to facilitate the process would be greatly appreciated. Please do not hesitate to contact me should you require any additional information in connection with this request.

Sincerely,

Alison Bowder
International Affairs Specialist
